We bought several "Living in Moscow" books some time ago and never regretted it! Now we would like to buy some more. **Tatiana Ovsyannikova, Human Resources Head, ABN Amro Bank Moscow**

I love your book! You did a fabulous job of compiling all those scraps of paper with information I've been accumulating over the years :-). I may have lost my new job (telephone consultant for living in Moscow) due to the wonderful work you've done. I bought an extra book to send to the "educator" on international moves, who handles moves to Moscow. My goal is to help people gain "prior knowledge" because we all know they can adjust easier to a move. Your book should be published in the US so it can serve as a resource guide. This is even helpful for people coming as tourists. Thanks for all the work you put into this, you have helped our community immensely! **Kris Nordin, Moscow, Russia**

My family used your company for our move to Moscow, November-December 2003. I was recently shown a copy of the book "Living in Moscow" compiled by your office. It is wonderful! I would like very much to get a copy. **Lauren Tennes, Moscow, Russia**

Your "Living in Moscow" is great. We have decided that every newcomer to the Norwegian Embassy shall be given this book upon arrival in Moscow. I have four books waiting on my shelf for this year's newcomers. **Heidi Aakre, Royal Norwegian Embassy, Moscow, Russia**

Many thanks for the book, there is really a lot to read and it's great value for money. **Stefan Martiniak, KMB Bank, Moscow, Russia**

I think your book "Living in Moscow" is splendid - thank you for it. **Tatiana Spiridonova, Baker Hughes, Moscow, Russia**

Feedback on the 1st Edition (2002-2003)

Schlumberger Logelco Inc. would like to thank Barbara Spier, the author of "Living in Moscow, for her most helpful and informative guide. Each Schlumberger expat family has this guide at hand, and we heard only appraisals related to the precision of information, the quality and amount of data necessary for feeling comfortable while in Moscow. This guide is even more valuable as it has been written by a German who has already spent many years in Moscow and personally experienced the stress of the move and adaptation to a new environment and culture. ... Based on our corporate experience we highly recommend this guide to any other company or individual who is planning relocation to Moscow or has just arrived in this city. **Natalia Smirnova, Personnel Manager, Schlumberger, Moscow, Russia**

The "Living in Moscow" book is excellent and invaluable, by far the most useful of all the guides that I have worked my way through. **Dr. David Harper, Technical Director, ERM, Moscow, Russia**

On behalf of BP I would like to thank you for the fantastic job on the Relocation guide which we were so happy to receive yesterday. It really exceeded our expectations and I'm sure, will be invaluable for new coming expatriates. **Natalia Vanina, Expatriate Administrator, BP Trading Limited, Moscow, Russia**
